ROOF GARDEN CONCERT TONIGHT AT THE YOUNG

The public is cordially invited by the management of the Alexander Young Hotel to the concert which will be given this (Saturday) evening on the roof garden commencing at nine o'clock.

An excellent program of popular music will be presented—admission free.

Miss Macdougall, the elocutionist, who has become quite popular in Honolulu during her residence here, is planning a smart event at the Hawaiian Opera house for the evening of Thursday, April 2. Miss Macdougall plans a reading of "Parafal," to be given in English and the event should prove most popular.

M'BRYDE REPORT SHOWS PROPERTY IN GOOD SHAPE

(Continued from page one)

creasing the water supply of the plantation, having been completed prior to 1913, the expenditures for upkeep and improvements for last year were low, and are being held down to the smallest possible minimum.

For the 1915 crop, the plantation has increased its acreage of the new 1135 D cane, which is promising excellent results, as indicated from what has been harvested thus far this year. Good weather has brought the growing crops along in good shape. The planting for the 1916 crop will depend in considerable measure upon the results secured from the D1135 variety now being harvested.

The factory was engaged in grinding for 180 days last year, during

which time 125,220.86 tons of cane were ground. The 14,600 tons of sugar produced included 154.5 tons manufactured from cane produced on homesteads.

McBryde's Cost on Sugar.

It cost McBryde last year \$59.20 per ton to manufacture sugar. Marketing expenses were \$9.17 per ton, and the gross receipts for the crop averaged \$67.33 per ton, thus showing a loss of 95 cents per ton. It is quite evident that under same conditions of production, under a year of normal prices, the profits would have been handsome on such a crop.

The cost statement is itemized. The cost per ton credited to sanitation, repairs, sundry, recruits interest (all of which are detailed by items) is given at \$13.90. Cultivating and harvesting cost was \$37.63; total manufacturing cost was \$45.53; and depreciation is set down at \$2.82, the total being \$59.20, as before stated. Details of the cost of clearing and plowing, preparing and planting, water supply, water expense, cultivating, fertilizing, harvesting, and manufacture, are given in the report.

Balance Sheet.

The balance sheet, as of December 31, 1913, shows assets and liabilities as follows:

ASSETS.

Permanent Improvements, Exhibit A.	\$4,339,432.52
Growing Crops, Exhibit A.	806,763.72

PERSONALITIES

BISHOP HENRY BOND RESTART-
ICK will deliver the sermon at St. Clement's church tomorrow morning at 11 o'clock.

Theodore Roosevelt Camp No. 1, U. S. W. V., will meet at 7:30 o'clock this evening at its hall, Alakea and Merchant streets.

OLD-FASHIONED LUAU DRAWS MANY TO PARK

A large number of Honolulu people and tourists turned out at noon today to partake of the many Hawaiian delicacies served at the old-fashioned luau given in Bishop Park by the members of the Kahoehale Pa'u Riding Club for the benefit of that organization. Captain Berger and his Hawaiian band was in attendance and dispensed Hawaiian melodies and the latest popular airs during the dinner hour.

The large tent erected in the park for the luau and entertainment was prettily decorated inside with palms, ferns and bamboo, while the long tables were adorned with bright green and banana leaves and cut flowers. Many rare Hawaiian dishes, sought by the kamaaina and new and tasty to the mainland, were in evidence. The menu included poi, puua, ia lawalu, ulua, papa'i, ophi, wana, ake, palau, limu, hee, hau-pia and opae, there also having been chicken in luau and various other dainties.

Another luau will be given this evening, beginning at 5:30 o'clock, at which time Queen Liliuokalani and Governor L. E. Pinkham will be in attendance as the guests of honor. Following the dinner there will be an entertainment consisting of hula dancing and Hawaiian songs and music. The music will be furnished by the Uluahiehie Glee Club.

OPERA HOUSE CONCERT TUESDAY

The concert which Mrs. Ingalls has so kindly consented to give for the benefit of the King's Daughters' Home will be given in the opera house Tuesday, April 14—advertisement.

BUCKEY CLUB MEETS AND ELECTS OFFICERS

Last evening the annual meeting of the Buckeye Club was held at the home of the president, W. D. Westervelt, at Waikiki.

One of the items of business was the appointment by the president of a nominating committee for officers for the coming year. The report of which resulted in the election of Guy H. Buttolph, president; Miss Martha H. Buttolph, president; Dr. Henry Bicknell, treasurer; and Mrs. W. C. Weedon, secretary.

Mrs. Gladding and General Edwards made short talks while R. J. Baker exhibited a number of beautiful stereoscopic views of Hawaiian scenery.

Now Lt. Col. Neville; Local Service Notes

Lieut.-Col. W. C. Neville

Lieutenant-colonel Wendell C. Neville, U. S. M. C., who commanded the marine battalion at Camp Verry for nearly three years, and who was relieved of the local command by Major Myers in 1913, has just received his promotion to the grade of lieutenant-colonel, his commission being dated March 5.

Major Neville was No. 1 on the list of majors for several years, and saw no promotion by process of retirement for age until 1917, but the voluntary retirement of Major-general Commandant Biddle, and the promotion of a colonel of the line, gave Colonel Neville his silver leaf.

Rear-admiral C. B. T. Moore, accompanied by his aide, Lieutenant Lando, paid an official call on Major-general Carter this morning, and at 11 o'clock General Carter, accompanied by his aide, Lieutenant Pillow, returned the call at the Honolulu naval station. General Carter was given the salute of 13 guns due his rank.

General Carter is a keen horseman and brought two excellent mounts with him from the mainland. At Texas City and formerly when stationed at Manila, the general rode every morning and he intends to keep up this custom here.

General officers when on official business or on the way to ceremonies, now fly the flag of their grade on their motor cars. When General Carter called on Admiral Moore this morning, the two-starred red flag of a major-general fluttered from the radiator cap.

Recently arrived army officers comment favorably on the office accommodations of the Hawaiian department. When a few more rooms are secured to accommodate the increasing commissions and clerical personnel, the department will be better off for quarters than any other in the army. "Army row" now takes up two-thirds of the second floor of the Young hotel.

WAIHEE GIRLS WIN BASKETBALL MATCH FROM GYM. TEAM

[Special Star-Bulletin Correspondence]

WAILUKU, March 19.—St. Patrick's Day was celebrated in Wailuku by a game of basketball at the Alexander House gymnasium between the girls of the Waihee public school and a team from the gymnasium. From the start the Waihee girls showed excellent team work, and were ready for their opponents. A score in the first half of 23 to 11 was run up against the gym and in the second half the score in favor of the visiting team was 16 to 11. Of course, Wailuku has an explanation to offer in that the young women on the gym team did not play, but only the younger girls of the gym membership, so that the teams would be more evenly matched. In spite of this fact, the girls of Waihee easily outclassed the Wailuku team by their careful watch over every move. The town girls lost their heads, and they thought, too, perhaps that they could easily best the visitors. Waihee won the laurels amid deafening cheers. The galleries were full of spectators.

The meet was made possible by the kindness of Manager Penhallow who sent his car for two practice games and for the final meet. This saved a heavy expense account. As only a small admission is ever charged for these games, the evening's pleasure would not have been possible if this arrangement for getting the visitors to Wailuku had not been generously offered.

The Waihee girls have only an open court-of-door court. Their instructor in basketball is Miss Achoy Ahi, who is herself an expert at the game. All the teachers and many of the friends of the Waihee school were present. After the game dancing was enjoyed during the rest of the evening.

FIGURES GIVEN ON 5 PROPOSED BUILDING SITES

(Continued from page one)

the total area of the block is 62,223 square feet.

4. Irwin Site.

This site is the block bounded by Palace square, Milliani street, Queen street and Richards street. Two features are to be noted. The Opera house occupies the corner of Milliani and Palace square, and Thomas W. Rawlins owns the corner on Queen and Richards streets.

Exclusive of these two pieces, the Irwin site has the following dimensions:

Frontage on Palace square, 286 feet. Frontage on Milliani street, 264 feet. Frontage on Queen street, 282.1 feet. Frontage on Richards street, 234.9 feet. Total area Irwin site without other pieces, 109,940.

Opera house site is 71 feet on Palace square and 157½ feet deep. It contains an area of 9988 square feet. The Rawlins property is 42.5 feet on Queen street and 97.6 on Richards street. It contains 4830 square feet.

The total area of the block, including both these pieces of land, is 124,750 square feet.

The Opera house site is owned as follows: One-fourth by the Irwin estate, one-fourth by the Claus Spreckels estate and one-half by John D. Spreckels.

5. The Allen Site.

This site is bounded by Alakea, King and Richards streets on three sides and runs on the fourth up to what would be an extension of the driveway on the ewa side of the capitol through to Alakea street.

The approximate dimensions are 395 feet on King street and 265 feet on Alakea street. This frontage on Alakea street is up to the Kerr building, in which the Star-Bulletin is housed. The Kerr building extends 80 feet on Alakea street, and its upper or mauka side is the upper boundary of the Allen property. It is 93 feet deep.

If the entire Allen block were taken, and a street run through, as proposed, from the ewa capitol gates to Alakea street, the Allen site would be approximately 305 feet (on King street) by 335 feet, the proposed street cutting some eight feet off the upper side of the property. This would give a total area of approximately 102,175 square feet.

The ground covered by the Kerr building is approximately 7440 square feet, and if this building were not included in the site, the site area would so much be lessened.

MOOSE NAME NEW OFFICERS TO ACT FOR COMING YEAR

The Honolulu lodge of Loyal Order of Moose, at its meeting, held last night, elected a full set of officers for the ensuing year, as follows: G. S. Leithead, dictator; A. T. Henderson, vice-president; Manuel Serpa, prelate; James W. Lloyd, secretary. Trustees: P. P. Ryan, 3-year term; W. T. Simeron, 2-year term, and H. Martinez, 1-year term. J. C. Cohen was elected to represent the lodge as delegate to the next grand lodge convention.

The new officers will be installed at the first meeting in April. These officers, it is stated by members of the order, were elected in regular season and not simply to fill the places of the officers who resigned some weeks ago as a result of rupture brought about at the time of the visit of two members of the grand lodge, who found fault with the way some of the affairs of the order had been managed, and threatened to annul the charter of the local lodge. It is claimed that the lodge has straightened out its affairs, both financial and otherwise, and is ready to begin a prosperous new year.

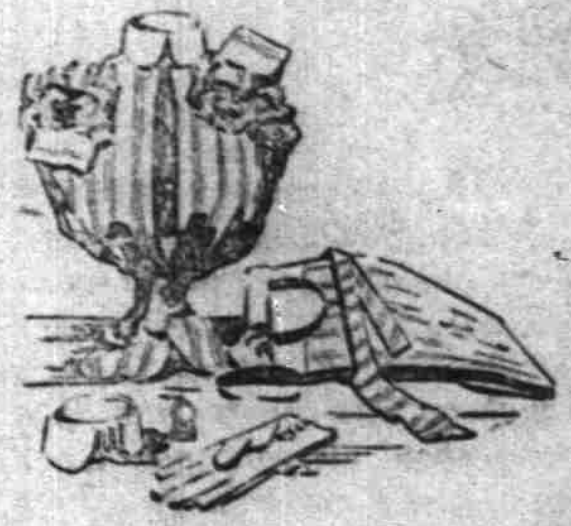

PARCEL POST RATE ON BOOKS WILL NOT PROVE POPULAR IN HONOLULU

It will cost you more to mail a pound book to the mainland now than it did before books were admitted under the parcel post regulations.

This fact has come as a distinct surprise to book dealers over the country who had made a strong fight to have their merchandise classed with parcel post matter. But while they will lose in sending a book across the continent, they will save in sending one to points within the first, second or third zone.

Under the new regulations books weighing up to eight ounces will be shipped through the mails at the rate of one cent for two ounces, and books weighing more than eight ounces will be charged for at the rates applying to other merchandise; five cents a pound for the first zone, six cents for second, seven cents for third, eight cents for fourth, nine cents for fifth, eleven cents for sixth, and twelve cents for seventh. The first zone has a radius of 50 miles, the second, 150, the third 300, the fourth 600, the fifth 1000, the sixth 1400, the seventh 1800, and the eighth, the balance of the country.

So while the old rate for a pound book was eight cents, it will now cost 12 cents to send one from here to the mainland, to the eighth zone. However, in mailing books over the islands, in the first, second or third zone, there will be a fair saving. A 50-pound package can be sent in the

Gotham Shirts are the shirts that are reasonably priced, come in patterns to suit all—and return from the laundry the greatest number of times.

\$1.50

The CLARION

first, second or third zone; but there is a 20-pound limit for all other zones.

**'LADIES' NIGHT' WILL
BE FEATURED AT THE
Y. M. C. A. APRIL 9**

The officers of the Y. M. C. A. have set April 9 as the date for the next "Ladies' Night." The social committee, consisting of 12 members, will be called together next week to arrange plans for making this a big affair.

R. J. Baker, Hawaii's well known scenic artist, has offered to give an illustrated talk on "Picturesque Hawaii," showing some of his views of

the various lands in the group. He will feature his volcano picture, views taken from the summit of Haleakala, Waimea canyon on Kauai and portraits showing various racial types found in these islands.

Manager Floyd Emmans of the cafeteria will put forth his best efforts to take care of dinner parties at which members of the association may entertain their ladies. The cafeteria has proved a very popular feature of former ladies' nights and it is expected that many tables will be reserved for parties.
